EXPLORE YOUR BILL PAYMENT OPTIONS!

- Sign up for a WEB PORTAL ACCOUNT today to give yourself the most convenient methods for paying your bill! Scan the QR code at right or visit our web portal!
- Tired of receiving a paper bill in the mail? PAPERLESS BILLING will help you save on postage and ensure you'll never have to wait for (or fool with!) a paper bill again.
- Want an easy, safe, and stress-free way to pay your bill? Set it and forget it with AUTOPAY! Autopay allows you to pay automatically on or near the due date!

USAGE COMPARISONS			
Period	Days	Usage	Daily Avg.
Current Billing Period	24	1400	58.333
Previous Billing Period	27	1300	48.148
Same Period Last Year	33	3500	106.061

Additional tips for understanding your bill

- Your bill may include just one service or a combination of services as you see in the above sample bill. Taxes, additional fees, and penalties may also be included.
- Note the payment due date, as late payments may incur penalties or service disruptions.
- Track your usage over time to identify patterns and take any action on irregularities. A sudden spike in usage might indicate leaks, faulty appliances, or inefficiencies at your location.
- Understand seasonal variations to plan accordingly for higher costs in summer/winter.
- Mistakes happen, so please don't hesitate to reach out if you see an unusual charge or unexplained increase.
